We are always keen to establish links with different providers and, as mentioned on our website, encourage all providers to contact us if you think there is something you have to offer Bensham Manor Students. A provider wishing to request access should contact Kirstie Byrne, deputy Head or Barrie Murphy – Careers Programme Leader, telephone: 0208 864 0116.

Please take a look at some of the experiences undertaken on the following pages by Bensham Students:

Tommy and Natalie were then invited to talk to the Mayor and Councillors at a Cabinet meeting and give their views on the strategy. They spoke with pride and we are all so proud of them both. On the left picture they are with Kathy Roberts, Head of Special Education Needs for Croydon!

We serve tea, coffee and hot chocolate each morning to staff, visitors and parents/carers, for FREE!

Thanks to our wonderful partnership with the Felix Project, we are able to provide food for some of our students. Allocated students just need to return their empty bags to us.

A number of Year 11 students spent their work experience at a pop-up Pizza and Pasta restaurant. Other year groups were warmly welcomed throughout the week and enjoyed freshly made meals. Check out how they got on!
